---

### Phosphene FX

New York, NY

Compositing Intern

May - August 2024

- Responsible for independently completing 21 paintout and beauty shots start to finish for *Babygirl* (2024), and assisted on comps for *Daredevil Born Again* (2025)
- Participated in team meetings, closely shadowed supervisors, reviewed notes to artists, and gained a deep understanding of a standard VFX pipeline.

### Atlantic Pictures

New York, NY

Junior Compositor / On-set VFX Intern

2023 - 2024

- Responsible for environment augmentation, screen replacement, cleanup, tracking, rotoscoping, keying, and 3D.
- On-set roles included photogrammetry and HDRi collection, lens distortion, and script supervision for VFX dept.

### Bright Sun Films

Ontario, Canada [Remote Work]

Motion Graphic Designer

2022 - Present

- Responsible for creating explanatory graphics and visuals for a YouTube channel with over 239 million views.
- Created "Bankrupt" documentary series' third season rebrand, primarily a 30-second opening title sequence.
- Created branding of a secondary channel which has accumulated 25 million views in 2 years.

### MAKE. ART. NOW.

Los Angeles, CA [Remote Work]

Lead VFX Artist

2021 - Present

- Completed 70+ VFX shots in the span of two weeks for the independent short film *Anamorphia 2 (A2)*.
- Managed a 15-member remote VFX team and developed a simple pipeline to keep organized and efficient.
- Created and marketed a VFX asset pack with custom elements from the film to an audience of over 400,000

### Automatic Studios Summer Camp

Brooklyn, New York

Counselor / Editor

2020-2021

- Worked over two summers to edit and produce camper-written and directed films
- Trained middle/highschool aged campers to use professional camera equipment and act professionally on set.
- Gave students interested in pursuing filmmaking the ability to gain valuable on set experience
